

MVHS Class of 2016 Illinois State Scholars

In November of each year, the Illinois Student Assistance Commission announces the State Scholar Finalists. Students from nearly every high school in Illinois compete in the program. State Scholars can be found on the campuses of nearly 200 public and private institutions of higher education in Illinois. The combination of exemplary college entrance examination scores and record high school achievement indicate an especially high potential for success in college. To be honored as a State Scholar in Illinois is an outstanding accomplishment that will be a highlight of the recipient's academic record.

Congratulations to the Class of 2016 students recognized as Illinois State Scholars.
