Registration/Sign In

As a parent, you must first sign in to your school's account by entering your email address and the password you selected when you registered the first time you used the system.

If this is the first time you are using the system then you should enter your information (first name, last name, email address, confirm email address, password, and confirm password) in the registration form to the right.

Once you have registered, you can use the same email and password to log into your school's PTC Wizard account. If you have children in different schools that are using PTC Wizard, then you only have to register once.

The screenshot shows the PTC Wizard login and registration page. At the top left is the school's crest and the text "PTC Wizard School". The page is divided into two main sections by a vertical dashed line. The left section is titled "Returning Parents? :: Sign in here" and contains two input fields for "Email" and "Password", followed by a "Sign In" button and a link for "Forgot your password?". The right section is titled "First time? :: Register here" and contains five input fields for "First Name", "Last Name", "Email", "Confirm Email", "Password", and "Confirm Password", followed by a "Register" button. At the bottom of the page, there is a copyright notice: "Copyright © 2006 Computer Creation Systems, Inc. All rights reserved." and a link to visit the PTC Wizard website.

Adding Children:

You must add at least one child to your account. The system will pre-fill your last name for your child, but you can change the last name for your child if necessary.

Welcome to PTC Wizard
According to our records, you have not added your child's name to your account.

Enter your child's first and last name:

Child First Name

Child Last Name

[Visit PTC Wizard - The premier web based parent-teacher conference scheduling software system](#)

After you add a child you will be brought to the My Children page. You can always return to this page by clicking the My Account link near the Logout link at the top right and then selecting the My Children section.

Updating Children

In the My Children section, you can update your child(ren)'s information, add more children, or remove children from your account.

Start the Wizard:

After you have added children to your account, you should click the link that says Return to PTC Wizard. That will bring you to the Start Wizard page. There you will be prompted to confirm that your children settings are correct. If your child(ren)'s information is accurate then you should select Yes and click Continue.

The screenshot shows the PTC Wizard web interface. At the top left is the school crest and the text "PTC Wizard School". At the top right, it says "User: Jon Doe" and "My Account :: Logout ::". Below this is a navigation bar with "Home" and "PTC Wizard" tabs. Underneath, there are "My Schedule" and "Start Wizard" buttons. The main content area features a large image of a school hallway with double doors. Overlaid on the right side of this image is a dialog box titled "Welcome to PTC Wizard". The dialog box contains the following text: "Before we begin, we need to make sure that your child's information is up to date. We currently have the following child on file for you. You have 1 child in your account. Jimmy Doe. Is this information correct? Yes [radio button] No [radio button]. Please select 'No' if you wish to add more children to your account." At the bottom right of the dialog box is a "Continue" button. At the bottom of the page, there is a copyright notice: "Copyright © 2006 Computer Creation Systems, Inc. All rights reserved." and a link: "Visit PTC Wizard - The premier web based parent-teacher conference scheduling software system".

Step 1:

After you confirm your child(ren)'s information, you will be brought to step 1 of the wizard.

Step 1 will display a list of available conferences and you should select the conferences you wish to attend and then click Continue.

The screenshot shows the PTC Wizard interface for a user named Jon Doe. The page is titled "PTC Wizard School" and includes navigation links for "Home", "PTC Wizard", "My Schedule", "Start Wizard >>", and "Step 1". A modal dialog box is displayed with the text: "Ready to begin? Start by selecting all the conferences that you will be attending." Below this text, there is a single conference entry: "Test Conference (01/05/08)" with an unchecked checkbox. At the bottom of the dialog are "Back" and "Continue" buttons. The footer contains the copyright notice "Copyright © 2006 Computer Creation Systems, Inc. All rights reserved." and a link to "Visit PTC Wizard - The premier web based parent-teacher conference scheduling software system".

Step 2:

After you confirm the conference you selected, you will see a list of teachers and teams that are available at the conference. Select the teachers and/or teams with whom you wish to make an appointment. You may select multiple teachers and teams.

Test Conference 2: Meeting on Monday, October 27, 2008

Please select the teachers or teams with whom you will need to meet.
 Only teachers or teams that are attending this conference will be displayed.
 Therefore it is possible that the teacher or team you are looking for will not be displayed.

Teacher/Team	Description	Room

Once you click the Continue button, you will be asked to confirm your choices of teachers/teams. Click the Continue button if you are happy with your selections, or click the Back button to edit them.

Step 3:

After you confirm your teacher selections, you will see a side by side schedule with all the teachers/teams you requested. If you have one child in your account then a checkbox will appear next to each available time slot. If you have more than one child in your account, then a drop down menu will appear next to each available time slot. Either check the times you wish to reserve or specify the child for each time slot you wish to reserve, then click Continue.

Your Schedule

This is your schedule so far.
 If you want to add more meetings to your schedule simply use the PTC wizard again.
 Clicking the cancel link next to your appointments will release that time slot.

How to change an appointment:
 If you want to change an appointment, please click the cancel button next to the appointment you no longer want. After you have canceled your appointment you can use the wizard again to schedule a new appointment.

Child	Teacher	Date	Time	Room	Cancel Appointment
Jane Berger	Pam Cabeen	Monday, October 27, 2008	06:45 PM	100	<input type="checkbox"/>
Jane Berger	Danica Antich	Monday, October 27, 2008	07:45 PM	101	<input type="checkbox"/>
Jane Berger	A	Monday, October 27, 2008	06:00 PM	Library	<input type="checkbox"/>
Jane Berger	A	Monday, October 27, 2008	06:15 PM	Library	<input type="checkbox"/>
Little Berger	A	Monday, October 27, 2008	06:30 PM	Library	<input type="checkbox"/>

[Cancel](#)

If you want to change your schedule or add more appointments, simply cancel the appointments you no longer wish to keep and start the wizard again.

FAQ

I forgot my password – how can I sign in?

If you have already registered but can not remember your password, simply click the link on the sign in page that says “Forgot your password”. Then you can enter your email address into the field that says Email and click the Remind Me button. This will cause an email with your email to get sent to you. Wait a few minutes to see if you have received this email and then use the password to sign into your account.

Do I have to register as a new parent for each school in the district?

No. Once you register on your school’s PTC Wizard account, you are considered a returning parent for all other schools in the district. Simply sign in using your email and password on each school’s PTC Wizard web site and your schedule will be consolidated to reflect your appointments at all the schools in your district.

Why am I being asked for my child’s name?

Since many parents either have a different last name than their child or have more than one child, it is important to specify for which child the appointment is intended. This will ensure that the teacher is properly prepared to discuss your child prior to your meeting.

Can I add more than one child to my account?

Yes, you can add as many children to your account as necessary. To do this, simply click on the My Account link at the top right corner of the page and then click the My Children link in the navigation menu. You will then see a list of your children that you added to your account. There is also a form on the right side of the page where you can add more children.

Why do some time slots say UNAVAILABLE?

The word UNAVAILABLE will appear next to any time slot during which the teacher or team will not be able to accept appointments. This time is either reserved as a break for the teacher, or UNAVAILABLE indicates that the teacher/team has a conflicting appointment on a different team or as an individual teacher.

Why do some time slots say RESERVED?

If you see the word reserved next to a time slot, another parent has already made a reservation with the teacher at that time. Reservations are on a first come, first served basis.

How can I get another copy of my schedule?

You can always get another copy of your schedule by logging into your account, clicking the PTC Wizard link on top and then selecting My Schedule. You will see two links at the top right of that page. One link will print your schedule and the other will send a copy of your schedule to your email address.

All I am seeing is the PTC Wizard company web page - Where do I go to sign up for appointments?

Every school is assigned a unique web address. Visit your school's web site for more instructions and to find a link to their PTC Wizard scheduling system. Please do not try to make a reservation by signing up through the company web site. Those forms are sent to sales representatives who will not be able to assist you with your scheduling.
